We started using Pinnacle Cleaning Services Ltd on our School, Children's Centre and Nursery in March 2010.

They have always been extremely professional in their approach; the cleaning staff wear a uniform and identification badges. CRB's and right to work documentation are checked and available for all Pinnacle staff.

The quality of the cleaning is monitored on a regular basis and the Manager responsible for this school is very approachable and flexible in his attitude.

I am very happy with the service that Pinnacle Cleaning Services provide and would not hesitate to recommend them.
